Hi Craig and Lucita,

Here are the draft proposed rule and draft Direct Final Rule we plan to send to the Federal Register Office to request approval to incorporate ND's Class VI regulations by reference. If you have time, please send me any comments by noon on Friday, October 25. Sorry for the short deadline, but we are trying to get this rule tiered in November and send the letter to the FR Office next week.

Remember this is just a draft, we will have time to edit after the FR office approves the

incorporation by reference.

Thanks,

Lisa
